St John Circle of Friends Program Volunteer

St John is looking for motivated, caring and enthusiastic individuals to participate in the Circle of Friends Program.

Volunteers will be able to use their own interests and life experiences to empower older people and young people living with a disability to get involved in community life and develop lasting friendships along the way.

The Circle of Friends Program offers assistance to members of the community who have little or no support. As a volunteer you will partner with St John and our clients to further enable the opportunity for clients to continue to live a fulfilling and active life.

These volunteer positions would suit individuals who possess good interpersonal and communication skills, can interact with people from a variety of backgrounds and ethnic origins and have a knowledge of issues facing the elderly and the disabled.

Successful candidates will be required to hold a current National Police Certificate (NPC) no older than 6 months, prior to commencement of volunteering with St John.

This is a fantastic opportunity to use your own strengths, values, skills and life experiences to enhance the wellbeing of others.

An hour or two a week or fortnight can make such a difference to someone's life.

Enquiries can be directed to Vanessa Leane, Program Coordinator – Circle of Friends on (08) 8306 6938 or via email at comcare.cof@stjohnsa.com.au
